Help Our Teachers 2021 - It is that time of year to **Help Our Teachers** help their students. It has become commonplace for teachers to take money out of their own pockets to provide needed resources throughout the school year. If you would like to contribute \$\$, members of M&O will shop for specific supplies our teachers indicate they need. We will be accepting donation\$\$ now through the third Sunday in September. Please put "HOT" on the memo line of your check, or on the front of a giving envelope. If you are a school teacher please contact Donna Stolle via email <dms6330@gmail.com>, by 19 September. Include your list of the ten items you most need/desire to assist you in your job of teaching and helping your students. After all funds are collected M&O will shop locally or online, using the teacher's specific lists. We hope to have these **HOT** care packages assembled and given to the teachers no later than 3 Oct. Your support is very much appreciated by the students and the teachers.

"The best way to spread Christmas cheer is singing loud for all to hear!" – Elf. And what better way to spread Christmas cheer and kick off the Advent season than with a fun Christmas program that shares the true meaning of Christmas? Our program this year needs the help and participation of our children AND adults. We have roles for all ages. We need set designers, set builders, costumers, stage hands, and activity coordinators. Rehearsals will begin on **Sunday September 12** and will take place during **Sunday School (9:45-10:30)**. And while the children and youth will practice each week, the adults involved will NOT be needed at every rehearsal. Once all roles have been decided, a rehearsal schedule will be posted and sent out letting all involved know which rehearsals they will need to attend and what will be covered during those times. The program will be presented on the first Sunday in December, 12/5, at 5:00 pm. Anyone interested in participating in any capacity, please email Brittany Jones at BLKefauver07@hotmail.com or find her on Sunday mornings.

During the worship Service please be aware that the best time to move around is during the readings and songs, otherwise you may be on camera.

Prayer Requests: When making prayer requests, please make sure the information that you provide is approved by the person you are requesting prayers for. Some information could be considered personal and private and some may not want that information to be shared online.

The Session would like to inform you of a few changes in our service for the next couple of weeks. With the increase of COVID cases on the rise in our community and the Delta Variant becoming prevalent in our area, we have decided to move the chairs in the sanctuary back to 6 foot distancing and will be suspending fellowship time until August 22nd. We feel very strongly about the safety of the congregation and want to do all we can to be able to continue worshiping in person. Due to the increase of COVID cases, face mask are encouraged, but remain optional.

In Christ, The Session
